Re: CC Docket No. 96-45
Interstate Common Line Support- ICLS
Annual Certification Filing

Please find attached, our second ICLS certification filing. I believe the first form which was delivered to your office on June 15, 2007, is adequate as in it we certify that we use USF funding in the appropriate manners, however, this specific form is the one we normally send to our local Missouri Public Service Commission. Some how, the forms became mixed up. I apologize for any confusion and send this second ICLS Certification to ensure our compliance.

Please let me know if there is anything further I need to do, I will overnight these filings to Karen Majcher and Marlene Dortch so that you have the originals as well.

I hope that this will not cause any problems or delays in payment as we did file a certification promptly it just was not the normal affidavit letter form.

If you have any questions, please call.
Thank you.
